VILLAGE OF Buffalo Grove

Bike Path Map

The Village of Buffalo Grove was incorporated on March 6, 1958. The Village has a population of 44,688 residents (estimate as of March 31, 2008) and the Village's land area is approximately 9 square miles.

The bike path system consists of over 50 miles of 8 foot multi-use paths and sidewalks. The Village is working with other Villages and agencies to link the Buffalo Grove path system to other communities and the regional bike path system.

Copies of this map are available at the Buffalo Grove Village Hall, 50 Raupp Blvd., Buffalo Grove, IL 60089; Telephone: 847-459-2500. Questions or comments concerning the map may be directed to the Village's Division of Planning Services at 847-459-2518.
